## How Can I Help My Baby Start Developing Speaking Skills?

Every baby is different and so the time to start developing their speaking skills will be different for each child.

- 1 By about 12 months baby's will start using single words.
- 2 By 18 months have 10-20 words.
- 3 By 24 months babies start combining 2 words sentences and have about 200 words.
- 4 By 3 years old, they combine 3-word sentences and are telling many exciting stories.
